Re: Reference Letter

From: Beverly Muckala, Jennifer Unsen

We would highly recommend Jeff Hill as a real estate agent. He was very helpful and worked very hard in selling the house in Hesperia. He was always available, whether it was by email, text, or phone. He was always willing to answer any questions, and did so quickly and thoroughly.

We weren't disappointed with any aspect of his service and would use him again as our agent.

Thank you,
Beverly Muckala
